

CALL FOR PAPERS
ICOMOS Thailand International Conference 2016
Conservation of the Built Environment: ASEAN Perspective
Princess Maha Chakri Sirindhorn Anthropology Centre
Bangkok, Thailand
15 - 17 December 2016

In recognition of the birth of ASEAN Community and in acknowledgement of ASEAN's Socio-Cultural cooperation policy, ICOMOS Thailand, together with the Faculty of Architecture, the Architectural Heritage Management and Tourism Programme, and the Chalermprakiat Institute of Thai Art and Architecture, Silpakorn University, will jointly host an International Conference on the theme of **Conservation of the Built Environment: ASEAN Perspective** during 15 - 17 December 2016 at Princess Maha Chakri Sirindhorn Anthropology Centre, Bangkok, Thailand.

The main objective of the theme is to obtain an overall perspective on the undertakings concerning conservation of the built environment being carried out in ASEAN member countries.

Academics, researchers, students, and practitioners in the field are invited to submit papers with regards to the following:-

Scope and Content

The theme of the conference aims to look at two major areas:

- 1) Architectural Conservation
- 2) Urban/Historic City Conservation

Papers should address one or some of the following issues:

1. History
2. Organization
3. Conservation techniques
4. Legislations
5. Integration of conservation and development
6. Heritage as cultural assets for economic development
7. Adaptive reuse of built environment heritage
8. Digital technology and conservation
9. Participation process in conservation
10. Reconstruction
11. Other related issues

Language English and Thai
